ADMINISTRATION

EQUAL EMPLOYMENT OPPORTUNITY

The Colchester Board of Education (the "Board") is an equal opportunity employer committed to making employment decisions on the basis of an individual's qualifications and abilities. The Board does not discriminate in any employment practice on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, gender identity or expression, or any other protected characteristic, except in the case of a bona fide occupational qualification.

[**OPTIONAL: The Board is committed to recruiting and retaining a diverse team of talented professionals, teachers, administrators, and staff who bring an array of perspectives and experiences to the district.**]

All personnel policies and practices of the Colchester Board of Education will be in accord with equal employment opportunity practices as determined by state and federal legislation. A job description and required qualifications for a position to be filled will be made available to all applicants. Equal employment opportunity means that equal employment possibilities are available to all protected groups and that no individual will be discriminated against because of race, gender, color, religion, national origin, age, sex, sexual orientation, disability, or unrelated abilities to perform the duties of the position.

The district's staffing plan should be designed to ensure that the public schools are continuously moving toward integrated staff at all levels, in all schools, and in other areas throughout the system.

The Board believes in the importance of the district's practices to support the concept of staff balance. Within each group of employees there will be represented, when possible, a cross-section of employees of different gender, racial and ethnic backgrounds, and length of administrative and teaching experience.

Under the balanced-staff concept, the staff and students will benefit greatly by having exposure to a diverse staff.
